### Notice of Appeal

This is to inform the court of Appeals for the 3rd Circuit that the Appellant is in the process of obtaining the necessary paperwork to file an appeal of a decision rendered by the District Court for the State of Delaware in case number Civ. Act. No. 05-212-JJF on May 19, 2006 but was not recieved by Petitioner until May 25, 2006. The Appellant intends to show that indeed his petition was filed in a timely manner in accordance with applicable rules but also was viable due to an interest of justice as it did not conform to U.S. Constitutional laws, Rules, and Statutes, and the appellant has repeatedly attempted to gain adequate relief in accordance with prior precedent case law ruled upon by the U.S. Supreme Court and the 3rd Circuit Court of Appeals. The Appellant is also attempting to gain the paperwork required to file in forma Pauperis which the appellant intends to file as soon as possible and probably accompanying the application and attached motion of Appeal / Appendix. The Appellant wishes to take this time to thank the Court and its clerks for thier time and consideration and looks forward to working with said persons to facilitate a just appeals process as prescribed by Constitutional Set Standards and prior judicial decisions for rights protections. The appellant wishes to hear from the clerks of the court as to docketing prescriptions.

Signed,
